What should be included on your club's Charity Report:

- **Major/National Charities:** such as the United Way, Make a Wish, ACSA and Friends of Snowmobiling. I specifically mention ACSA since SD has had several contributions over the years to the ACSA Legal Defense Fund. If any of your club's members or your club has made a donation to ACSA in this report year, be sure to capture that.
- **Local Charities:** such as the Snowmobilers for Snowmobilers, YETIS/Jon Laframboise Memorial Scholarship, Sleep in Heavenly Peace, SDSU Veterans Ride, Jakob Hohm Off Road Adventures (JHORA), local food pantries, local cancer groups, SDSA auction items, YETIS auction items, SDSA Convention and Governor's Ride Sponsorships.
- **Volunteer Hours:** such as time spent collecting toys for tots, working on your club's parade (homecoming, lighted Christmas, annual community celebrations) entries, vintage rides, membership drives, poker runs, helping a club member when they are in need, preparing for the club's participation at convention such as preparing/judging nominations, hosting convention, hosting Governor's Ride, helping at Sno-Cross.

Note to SDSA Officers and Board of Directors:

We will want to capture the amount of time you have spent on SDSA Leadership activities and events you attended on behalf of SDSA. This would include time traveled to board meetings, club meetings, dealer open houses, committee work, etc. We want to include this time as well on SDSA's report. You can complete the form accordingly or send me an email with your detailed information.

What should be included on your club's Trail Volunteer Survey:

Volunteer Hours spent establishing and maintaining your local trail system: such as time spent planning, signing and removing your trail, time spent working with landowners contracting trail agreements, making necessary corrections after inspection, hours spent grooming, hours spent maintaining groomer/drag. In addition, the number of groomers and mechanics and the number of landowners with a land use agreement/contract for your trail.
